SPRING VALLEY

by Carmen Guedez Painting Print on Canvas

Overall: 18" H x 22" W x 1.5" D
Overall Product Weight: 3.8lbs

This is a unique print on plywood, an iconic and beautiful work of art from the last 200 years. Le Monde has been restored to its original brilliance and has received a special treatment to showcase the texture of the wood it is printed on.

Available in single item orders, either shipped to your store as a special order or shipped directly to your customer as part of our Drop Ship program.

Retailers interested in larger quantity orders can buy in bulk from our Los Angeles warehouse or direct containers from our China factory.

All products are attractively packaged ready for retail display.
